Septic System Discussion:

How old are the septic systems? When was the last time the septic systems were served?
Should we serve them twice a year or once a quarter?

Conversion of communal bathrooms HS/MS:

Discussion about cost.

Discussion about **anchor(?) to put near the classroom doors** to help barricade in case of emergency.

Discussion about **Pollard playground fence repairs.**

Shades into school entrances and classroom interior windows.

Do all school entrances have **bullet proof glass?**

Schools are going to report how many **doors in each building do not have windows.**

Meeting minutes submitted by Maria Watkins.
