

## **Strategic Planning Update: 12/6/18 Update given to the Board**

All three subcommittees have met and work on the goals has begun.

Dr. Wilson set up a Team Drive where the three committees can document their meeting dates, agendas, notes, and progress on the goals.

**Facilities** is chaired by Tom Geary and met on Oct 30, 2018. They are still looking for other representatives to be on the committee. (Special education rep and Elementary Rep)

They reviewed the previous Existing Conditions survey performed by LaVallee Brensinger Architects.

They identified some resources on what they have : survey done last year on school equipment, and agreed that an updated space utilization is needed. There was agreement that a survey for Principals will be developed to show existing needs in relation to the curriculum and operation of the school.

**Climate and Culture** is chaired by Susan Rasicot and met on November 14, 2018.

They discussed

- the action plan goals, and determined future meeting dates
- ways to engage students and involve students and families
- how to establish core values
- the creation of a Google Drive to store team documents
- What is used in Schools: Second Step, Responsive Classrooms , others
- No Bullying Curriculum/program presented to staff and parents on Nov 27, 2018
- Community resources: Georgie Boy Grant Breathe NH

Dec 13, 2018 is the next meeting

### **Academic Rigor and 21<sup>st</sup> Century Learning**

Christi Michaud and Sandy Allaire will be the facilitators of the work. Since so much of the work centers around curriculum, instruction and assessment, we are using an existing committee to monitor the work: Curriculum and Assessment. They meet monthly, and the goals of the strategic plans goals will be monitored, as part of the monthly agenda.

Each of the schools, several district level departments, as well as two board members are represented on this committee. This committee will be responsible for monitoring the progress of the goals, objectives, and action steps associated with the plan. Evidence toward goal attainment will be brought through the C&A group.

Several existing committees, of which are chaired by members of C&A, will be responsible for the direction and execution of the Strategic Plan action steps and activities. These groups will provide evidence of their work and share progress notes with C&A on a regular basis. They include

- Professional Development, Mentoring, STEAM/Enrichment, PreK-12 Curriculum, Technology, and Grading & Reporting

The first monitoring update was given on Nov 13, 2018. Christi and Sandy are keeping track of the action plan for each goal.
