STUDENT EARLY RELEASE PRECAUTIONS

The Principal is authorized to establish additional procedures necessary to ensure the proper and safe release of students. Such procedures must adhere to the following rules:

1. Students will only be released to the parent, guardian, or written designee of the parent or guardian, or to other individuals or agencies as permitted or required by law.
2. The District will release a student to either parent unless the District has a valid court order directing otherwise or unless the parent requesting the release is only entitled to supervised visitation. If district staff have concerns about releasing the student to a parent, the student may be held while additional precautions are taken, including, but not limited to, verifying custody orders, contacting the other parent or contacting appropriate authorities.
3. Students who are 17 years old and living independently and students 18 years old or older must validate their own attendance and dismissal.
4. Telephone requests for early dismissal of a student shall be honored only if the caller can be positively identified as the student's parent or guardian. The parent or guardian will still be required to enter the school building and sign the student out.
5. If it is determined that a student who is ill or sick should be taken home, the school nurse will contact the student's parent or guardian to arrange for an early release. The school nurse will also notify the Principal.
