## **SCHOOL PROPERTIES DISPOSAL PROCEDURE**

The Board authorizes disposition of obsolete items according to the following priority actions:

1. By selling to the highest bidder or whatever other business arrangement is in the best interest of the school district.
2. When practicable, the Board shall donate such items to charitable organizations and schools.
3. By giving such items to local citizens or towns.
4. By removal to the town dump or by an appropriate disposal or recycling facility.

Sale or transfer of real estate will be by the vote of the electorate of the school district at an annual or special school district meeting, and the revenue derived therefore will be returned to the general fund to defray costs of current expenses or upon approval of district voters placed in the capital resource fund to defray costs of future capital expenditures.
