Adopted: 10-07-99 Revised: 02-16-12	Page 1 of 1

REPORTING OF HAZARDS

All faculty and administrators shall be responsible for reporting hazards to the Principal. The Principal is authorized to immediately correct such hazards within budget limitations. Hazards that are not immediately correctable or if the cost exceeds budget limitations are to be reported in writing to the Director of Facilities who shall be responsible for notifying the Business Administrator and the Board.
