CLASS SIZE

The Timberlane Regional School Board, in an effort to continue the pursuit of excellence in education already established and recognized, and to more effectively prepare our students, recommends the following class sizes for regular education classes:

- Kindergarten and Grade 1 Not to exceed 20
- Grades 2 and 3Not to exceed 22
- Grades 4 and 5Not to exceed 25
- Grades 6 thru 12Not to exceed 30

Class sizes as indicated above shall not be exceeded. No new staff will be added to accommodate classes of less than 9 students.

Timeline:

Before December 15: The administration will make recommendations to the School Board and Budget Committee at budget time on the number of teachers needed for the next school year based on October 1 enrollment numbers.

By February 1: The administration will establish a formal school registration period for new enrollees.

Beginning with the Second School Board Meeting in March through August: The administration will present, at a minimum, monthly enrollment numbers, including staffing recommendations with specific reference to enrollment pressure points.

After Second School Board Meeting in August: If additional students enroll after the second meeting in August and class size policy is exceeded, the administration will seek the approval of the School Board to add support.
