EARLY GRADUATION

The Board supports early graduation as a means to earn a high school diploma. Parental involvement for students under the age of 18 is required. The building principal or designee shall approve such requests if he/she determines that all state and local graduation requirements will be met and that early graduation is related to career and/or educational plans of the student making the request.

Upon approval by the high school principal, the minimum 4-unit requirement per year for enrolled students shall be waived and the student shall be awarded a high school diploma provided that all other requirements have been met.
