STUDENT FUNDRAISING ACTIVITIES

The Board recognizes that students may wish to engage in fundraising activities. All such fundraising activities require prior approval of the Superintendent.

Student fundraising activities must be for the support of the school mission. Fundraising will not be school sponsored unless it is approved by the Superintendent. All fundraising money must be deposited in the school activity accounts which shall be maintained according to standards and procedures established by the Superintendent or his/her designee, and these accounts shall be audited annually.

Crowdfunding Disclaimer

Crowdfunding projects and fundraising campaigns by parents, teachers, and students that are implemented to raise money for classrooms, extracurricular activities, field trips, and other school-related purposes only may state their affiliation with the school district, but may not claim to represent or be raising funds on behalf of the school district without the prior approval of the Superintendent.

While the School Board fully supports any effort to give back to the school community and support our students, some of the crowdfunding webpages use the school districts' name, logo, or mascot to, among other things, get users to make private donations. Without approval of the Superintendent, these projects and campaigns are not affiliated with and have not been approved or sanctioned by the school district.

The purpose of this policy is to protect the use of the school district's name and logo and to ensure that such fundraising and related crowdfunding projects are consistent with the school district's interests and mission and are created in compliance with the law. To that end, the school district hereby expressly disclaims any responsibility or liability for any financial or other loss associated with any fundraising or crowdfunding project or webpage.
