## **SUSPENSION AND DISMISSAL**

Any student attending school who neglects or refuses to conform with the standards of orderly conduct prescribed by these rules and regulations shall be subject to suspension or dismissal for gross misconduct or to dismissal for neglect or refusal to comply with these standards (see RSA 193:13).

Conduct specifically prohibited shall include, but not be limited to: habitual truancy, verbal or physical abuse toward any student or faculty or staff member, disobedience of reasonable demands of staff or faculty members, possessions of controlled drugs and/or alcoholic beverages on school property, disrupting classroom atmosphere, impeding classroom decorum, causing disturbances among other students in attendance, distracting other students so as to interfere with the educational process and disrupting the disciplinary process.

State statute, as well as the rules and standards set forth herein, apply to school sponsored activities, whether on or off the school premises. This policy does not define all types and aspects of a student behavior; however the Timberlane Regional School Board has the responsibility to set forth policies, rules and regulations to help each student conduct himself or herself in a proper manner as a good citizen of the school community.

1. Establishment of Policies and Regulations:

The School Board may establish written policies, rules and regulations of general application governing student conduct in all schools. In addition, each principal within the school may establish certain written rules and regulations not inconsistent with those established by the board and the Superintendent.

2. Areas of Prohibited Student Conduct:

Any conduct which causes or which creates a reasonable likelihood that it will cause a disruption in or material interference with any school function, activity or purpose, or interferes with the health, safety or well-being or the rights of other students is prohibited.
