### **STUDENT INSURANCE PROGRAM**

The Board recommends that all students have accident insurance for their and their parents' protection. The Board will provide insurance for all middle and high school participants in interscholastic athletics. Such insurance shall not exceed \$100,000 in the aggregate as a result of one accident for hospital, nurse, medical or surgical expenses, and \$5,000 in the aggregate as a result of one accident for dental expenses.

Although arranging for insurance is the responsibility of the student and parents or guardians, the Board will name an insurance carrier each year to offer group rates. Participation in the group plan is optional and is at the discretion and expense of the student, parent and/or guardian.
