B. Military Recruiters/Higher Education Access to Information

Under federal law, military recruiters and institutions of higher education are entitled to receive the names, addresses and telephone numbers of secondary students and the Timberlane Regional School District must comply with any such request, provided that parents have been notified that they and secondary school students have the right to request that this information not be released without their prior written consent.

C. Health or Safety Emergencies

In accordance with federal regulations, the School District may disclose education records in a health or safety emergency without prior written consent to any person whose knowledge of the information is necessary to protect the health or safety of the student or other individuals.

D. Transfer of Student Records

¹ *"Open to the public" means that outsiders (non school employees) are invited to attend and view or participate in the event. The invitation must be to the public: at least parents, relatives, guardians, etc. Beyond relatives, etc, it may also, but not necessarily, include non-relatives, but non-relatives alone do not count for "public." "Open to the public" does not mean that ALL public are invited, it may be segregated to family members. "Open to the public" does not cover outsiders (non school employees) invited to provide an educational experience or service. These providers are not the public; they are contractors, employees or volunteer instructors. Nor does it mean the media alone may attend an event, though the media may attend if the public is invited.*
